

Sherwood Youth Football Payment Deferral Program

Sherwood Youth Football remains committed to maintaining a no-pay-to-play structure so that we can provide children from all economic backgrounds the opportunity to participate in a youth sport. We are wholly dependant on our two main fundraisers to meet the many necessary expenses of our program. As a result, **we do not have a scholarship program where no payment is expected.** We need every family's support to keep the program running.

Instead, we offer a Payment Deferral program. Upon registering, a parent has the option to complete this Payment Deferral form and submit it to the SYFA Registrar. Once accepted, the family will not be required to pay the fundraising pre-payment at the time of registration. Instead, a set of car wash tickets will be issued in August. These tickets may be sold, thereby raising the money needed to fulfill the fundraising obligation for the first fundraiser (which also satisfies the fundraising pre-payment normally required at registration). **If a family chooses not to sell the car wash tickets, they are still responsible for this payment.** All Payment Deferral money must be turned in to the Registrar no later than the Monday following the car wash.

While this is not a true scholarship program, it allows families the opportunity to fundraise their financial obligation to SYFA.
